Who and What

All Carolinas Chapter members, member-club staffs, boards and members, and industry-supporting vendors and friends are invited to participate in a day of golf and, most importantly, raise funds to help find a cure for cancer.

Greenville Country Club - Riverside Course

864-232-6771, www.gccsc.com

Greenville Country Club's (GCC) Riverside Course was originally laid out by Donald Ross in 1919 and was later directed during on-site construction by golf architect William B. Langford; the course was finished in 1923. In 2006, the club commissioned famed architect Brian Silva to completely redesign the course in the Seth Raynor-style. Eight years later, Riverside consistently hosts 20,000+ rounds annually and is the members' course of choice for a challenging, yet forgiving, game. Ranked #44 in South Carolina's State Rankings by *Golf Digest*, GCC and Riverside welcomes Carolinas Against Cancer to Greenville!

Why

Carolinas Against Cancer was inceptioned in 2010 as a way for the Carolinas Chapter to support a different cancer-related cause each year. Collectively, we are able to donate a greater dollar amount toward finding a cure for cancer. In the inaugural year of 2010, the Chapter chose to donate to the Leukemia & Lymphoma Society; in 2011, Chapter members participated in the Making Strides Against Breast Cancer Walk, a fundraising event for the American Cancer Society; and, in 2012-2013, the Carolinas Chapter was proud to partner with The Jenny Sullivan Sanford Melanoma and Skin Cancer Program at MUSC Hollings Cancer Center to fight against skin cancer.

This year, we are on a mission to raise money to help find a cure for pancreatic cancer. The Chapter will again keep the funds close to home in the Carolinas by way of donating all money raised to the UNC Lineberger Comprehensive Cancer Center, located in Chapel Hill, NC.

How

Please complete the Registration Form and send it and your check(s) made payable to "UNC Lineberger" to the Carolinas Chapter by Monday, June 30. Space will be limited to the first 20 teams/80 players. All registrations and additional donations are tax-deductible, as 100% of the registration proceeds will be donated directly to the UNC Lineberger Comprehensive Cancer Center.
